Getting Back in the Saddle

Secrets to scoring for the suddenly single-again guy

It was the first time I had been with a chick in a while, and you can be damned sure that I couldn't wait to get her home and under the covers. I'd been jerking off and feeling sorry for myself for months after my wife and I had separated, so it was time for a treat.

And this girl was a treat. She was Asian, with a delicate, pretty face and long, black hair. When I saw her on the street she was wearing a top that barely covered her tits, leaving her shoulders and belly totally bare. She wore satin shorts which, because they were a size too small, showed lot of thigh and pulled tightly up into her crotch and ass crack.

I no sooner had gotten her into the bedroom when I too was tracing the folds in the satin that hugged her cunt and slipped between her buns. Her labia swelled as I kept touching and tickling her there. She wanted to take her shorts off, but I like the feel of smooth satin over a ripe clit, so I kept patting it until the fabric was soaking wet.

I pulled her shorts down to her thighs—she wasn't wearing a thing under them—and she shimmied them down to the floor while I stroked her bare cheeks. The girl made a move to pull her blouse up over her head, but I wanted to see how it would look going the other way. So I took the elastic top of the blouse and yanked it down below her tits. They were fine, smallish tits with cute little nipples. The halter top, meanwhile, hung about her ribs like a highwaisted miniskirt and covered her down to the wide part of her hips.

The girl unbuttoned my shirt and kissed my chest and stomach as she progressed down my body. She caressed my pants over the lump of my cock, and unzipped me so nicely that my dick bounced out about a foot long. She knelt down in front of me and kept on kissing down my stomach, below my navel, and on down until her cheek brushed against my dick. I pressed her head against my throbbing cock and reached down for a tit, which I cupped firmly. The girl moved her face backwards, licking along the shaft of my cock until her tongue was under the tip of it, slathering saliva in that sensitive spot while my red dick bounced and tingled.

Her pretty lips slid over the meatus, then farther and farther back until my cock slid over her soft, wet tongue and was touching the hot, cunt-like back of her mouth. As she sucked and licked I felt that surge again. I grabbed her head with both hands and spewed months of pent-up cum into her mouth.

I'd needed that. Like I said, my social life during the initial months of my separation had been awful. I had complained to my buddies about how lonely I was and had stomped off, horny as all hell, to try my luck at the clubs. But even that wasn't working; I think chicks could sense that I was desperate and it turned them off.

I had even taken to dating apps because my in-person efforts were failing. But that episode with the hooker kind of snapped me out of that feeling of desperation. And that must have shown on my face because the very next time I went to a club, I scored in no time at all.

She was a chick I'd seen before, often surrounded by three or four admirers plus (worse yet) the dude behind the bartender. Her curly blonde hair and white blouse made her stand out in the dark place, as did those big knockers that filled her top. As always, she was knocking back shots of tequila as if it were water. This particular night I saw her looking at me, a few feet down the bar, and energetically blowing smoke into the air. It was as if she was having a private conversation with me about blowjobs and none of the guys around her understood the language.

The blonde crushed the butt in the ashtray, flipped out a fresh smoke and, ignoring her crowd, pointed it in my direction. "Got a match?"

I did, and if I hadn't I would have invented fire right then and there. She'd made the first move and it was only fair that I stick my neck out on the second. "Buy you a drink?" I asked.

"Thanks." She slipped off of her stool and passed four dudes, who glared at me. I gave her my seat and leaned on the bar, my arm touching hers. We made small talk for a few minutes until she decided to cut through the bullshit. "I've seen you here before," she said.

"I've seen you here too," I replied.
"How come you never said hello?" she asked.
"I was sort of going through a bad time," I admitted.
"You looked it."
"My wife had just left me."
"Well, I'm not your wife."

We had a drink or two, before I summoned up some courage. "C'mon," I said, "lemme show you my art collection."

She put her arms around me when we got to my place. "You sure do look like you're feeling better." "That's because I'm feeling you!"

And I did. I squeezed those ginormous jugs of hers until the nipples expanded so much they nearly ripped through her top. "This blouse has got to come off," I said. And it did. Her tits were large and pale, just like giant cantaloupes, and they tasted as good to me, too. She pulled her skirt up over her head. I watched the hem rise above knees, thighs, sexy thong, big boobs with brown nipples winking at me. Then up over her shoulders—neck, ruby red mouth, sexy eyes, blonde hair.

I threw off my clothes and more or less jumped on her. She laughed and we both fell over onto the bed, she on her back with her legs sticking into the air. I caught them there, slid my hands down her legs until I got to her thong, then slid them back up the maypole and tossed it aside. She spread her silky smooth legs apart, keeping them still in the air, and prettiest little pussy stared up at me. Nibbling the inside of her thigh, my mouth inched slowly down to her cunt, where I teased around before giving her one sudden lick on the clit.

She moaned and wrapped her thighs around my face. Surrounded by her soft, smooth leg, I licked again. A shudder went through her. My tongue slid up her vagina and she pressed my head and rocked. In and out went my tongue, mixing my saliva with her love juices until she was groaning and grinding all over the bed. Just as she was about to climax I pulled her knees apart and slid up.

The tip of my cock slipped right into the girl's slippery cunt as my head got even with her tits. I arched my pelvis forward to slide the rest of my cock into her beckoning hole, while she pushed a tit upward so I could still suck it. We sucked and fucked, her nipples like brown cherries and my shaft plunging back and forth in her cunt. When I felt myself coming I charged all the way up. She squeezed me inside and we rocked into a super climax together. "I hope to see you again," she whispered in my ear. "And remember, I'm not your wife."

It seems that the chicks who swiped right liked my photo or something. Of course not everybody reacted favorably. I'd swiped right on about 20 chicks and half them never got back to me at all. But then again, eight contacted me to say that they were interested. Eight! Just a week ago I'd been batting zero. If even one of the eight was to my liking, then between her and the blonde from the bar, I'd be flying high.

I set a date with the first girl who connected with me. She turned out to be pretty tall, which is a real turn-on for some guys, but not for me. I'm not knocking her, you understand; she was nice but everybody's tastes are different and that's the way it ought to be. Otherwise every dude in the world would be fighting over a chick that looks like a model, and all the other ladies would be standing around bored.

So I hit up one of the girls who expressed an interest in me. She looked like my type and it turned out that she was. Her name was Ellen and I asked her to meet for drinks at a bar. I was careful to suggest a different place than the one where that blonde chick hung out.

Ellen and I hit it off immediately. I told her I appreciated that she agreed to meet with me—and I told myself that I respected her fine, pert ass. Before long it was wiggling back to her place with me walking next to it, joking with her that even though she did have a very pretty face, she must have Photoshopped it a bit.

When we got to Ellen's apartment she excused herself and disappeared into the bedroom. A few minutes later she entered the living room wearing only a skimpy nightie that barely covered her pussy. She sat right

down in my lap. She kissed my lips and cheeks while I reached in under the nightie and touched her belly. It was flat and it led down to a trim waist that curved out beautifully to host her perfect butt. Her tits were firm too, with the nipples riding high on them.

Ellen then got up to come around behind me. Leaning over with her hair brushing one side of my face and a tit poking the other side, she undressed me, her nimble fingers darting everywhere to unbutton, unzip, and caress. When she sat down on my lap again I grabbed her ass. She giggled and squirmed around till my middle finger was right under her asshole, and I just couldn't resist.

Reaching around with my other hand I lifted her up an inch or two, and then gently lowered her onto my upright finger. Ellen squealed a bit and I felt her muscles tighten, but then she eased down slowly as my digit moved up her tight, hot hole. She hugged me and wiggled; the hole grew bigger. My free hand undid the solitary string that held the nightie closed and I bent down to kiss her tit. The nipple stood up to meet my mouth and she began to grind around my finger. "Hey," she whispered, "do you want to put your dick someplace?"

"I sure do."

She kissed my ear. "Where?"

"Right here." My middle finger moved inside her.

"Okay," she said. "Come over here." Ellen stood up and took my free hand. My other hand was still squeezing her ass, with one finger up her bung hole. I stood up and we went into the bedroom like that, moving slowly so my digit could stay up there while she walked.

Ellen had one of those high, old-fashioned beds, and she lay face down on it with her belly on the edge and her feet on the floor. There was a bottle of hand lotion on the night table and I rubbed the stuff on my cock. Then I faked biting her rump, which made her titter, and I pulled my finger out of her asshole. Placing my dick against the opening, I pushed and it damned near didn't go in. But I finally made it in about an inch and from then on it was much easier, thanks to the

hand cream.

Ellen kept one leg on the floor while she raised the other onto the bed as I spit on my hand and reached for her pussy. As I massaged it she humped her clit against my hand, which made her ass ride up and down around my cock. This was the hottest hole my dick had ever been in and I loved every stroke of it. When she came because of my fingers on her cunt, her jiggling ass made me come too.

And it just went on and on like that with the other chicks I met through the apps. Then I started meeting other women without having to rely on the apps. I started scoring left and right with checks I met—in parks, at work, in bars—simply because I was getting enough sex to make me exude confidence.

I had learned that you can't go to a club or a bar looking like a downer because if you do, then chicks aren't going to come near you. They've got their own problems to worry about, and though most women may be more than willing to hear about your hardships once they get to know you, they're not as likely to want to start things off that way.

Using hookup apps worked well for me, but it's just one of many things that might have worked. I might have used a dating website to help me past my initial shyness, or asked my buddies' wives if they had any friends they wanted to fix me up with. Or I could have just kept on hitting those bars. The point is, if you don't do anything you won't get anything (at least not at first). Once I started getting back into the swing of things I found that success somehow breeds success. Maybe my good mood and high spirits were contagious.

Naturally, nobody is going to score all the time. I still get shot down; I'm not Brad Pitt. But I've learned there's no point in letting that get me down. After all, when you try to pick up a chick that turns out to not be into you, you haven't lost anything.

Why should I cry over my former marriage when I can have more happy thoughts about my current life, now that I'm back in the saddle?

Chanel

Every time Chanel fucks, it's anyone's guess as to what she'll do that time. Sometimes she just wants a good old fashioned pussy pounding. Other times she'll suck you off till you're cumming all over her face. She won't tell you this but her favorite thing is if she's got you between her buns. There's very little you can do that won't have her screaming.

I've always been something of a summer baby. I love the warmth, the beaches, the sun, the babes... all of it. But last year showed me a side of winter that made me reconsider my relationship with the whole season.

I met Violet during the summer, one of those chicks who just dominate the beach with her tight, narrow frame, long, flowing blonde hair, deeply tanned body, and piercing green eyes. And all that was before my eyes started to trace the edges of her bikini. I could hardly believe it.

I bought her a few drinks and we started to hit it off. We decided to keep it casual for a while, have some fun and see where it all would go. Then, after about six months, she invited me to go with her out to a cabin her family owned in the mountains. It was going to be our first trip together, and while I was excited for spending some time with her, I also didn't look

forward to trekking up into the mountains through a couple of feet of snow.

But she insisted and showed me just some of the underwear she was pack-

ing, and, well, my dick decided it was worth a shot for a few days with just the two of us.

It wasn't long after we started driving skyward that I started to feel the brisk air through the car, and only about 20 minutes or so after that when we saw the first traces of snow. When she told me we were still only about halfway, I groaned and really thought I'd made a mistake.

Our arrival wasn't much better. The cabin was surrounded by a blanket of pure white snow aside from the shoveled path to the front door. It was a basic cabin, a main room, with a large bed off to the side in a sort of loft plan.

And outside, on a back porch that looked

over a vast, snow-covered valley, was a steaming hot tub, already prepared and bubbling for us when we arrived. She guided me back, first showing off the view, which... I couldn't deny was utterly spectacular.

City dweller that I am, I'd seen pictures of pristine snow, and this... pictures really couldn't do it justice. Violet leaned herself against me, letting me take it all in before leaning around to make out.

As she did so, she also reached out and pulled open the sliding door, letting in a frozen blast of air. She stepped back, giving me a wicked smile, and started taking off her clothes slowly and deliberately and moving toward the hot tub.

I told her I didn't pack any swim trunks. She laughed and told me that she hadn't either, just as she pulled off her bra and slid down her panties and let her naked body slide into the tub.

I gaped at her for a few seconds, but she didn't have to wait for long before I quickly stripped down and joined her, feeling the intense cold before the radiating warmth of the water quickly overtook me.

And, within seconds, she pounced, flinging her beautiful body at me and pressing her lips tightly to mine. I wrapped my arms around her quickly, pulling her warmth even closer as my hands wandered down her back and toward her plump, juicy ass.

And it didn't take much to coax her ass up onto my lap as she mounted my rock-hard cock

with her back hole. I almost screamed with pleasure as her tight ass gripped and squeezed my dick under the water and she started to ride me. The chill air above seemed like it was fading away, while the steam rising from the tub got thicker and hotter.

Violet, for her part, knew exactly what I liked, and she taunted and teased me with it, riding with her ass long enough to get me close to cumming before pulling off and sliding me into her flexible pussy.

Back and forth, front and back, she knew where my edges were and rode them as long as she could, well after darkness settled over the magnificent valley that was the only witness to our play. I held her close, hands and fingers dancing between her ass, her large tender breasts, and her soft, gentle face, while she sent me into a new feeling of heaven.

When I finally blew several loads deep in her ass, I felt her squeeze tightly, drawing everything I could muster deep into her erotic form as she leaned over to make out with me some more.

She let me settle down, keeping me hard inside her for what must have been several minutes before she finally pulled away, quickly jumping out from the hot tub and pulling me along with her to curl up naked by the fire inside.

And as we lay there together in the warmth of each other's body and in the light of the crackling flames, I realized that if I wasn't careful, this winter thing might just capture me after all.

A photograph of a woman with long, wavy blonde hair lying in bed. She is looking towards the camera with a slight smile. Her head is resting on a green pillow. She is partially covered by a white, quilted sheet. The background is a dark, tufted headboard.

Angela & Destiny & Samantha

After calling and texting Angela all morning with no answer, someone had to go make sure she was at home. Destiny and Samantha rushed over to her place and peeped in her room to see her sheets writhing and moaning. As they started to reprimand her, a big rubber dick swung out from inside her. With three in the bed, that dick got quite the workout.
